

# Gymnastics Apparatus

Dear participants,

in this document you will find the gymnastics apparatus that will be available for the performances at the International German Gymnastics Festival 2025 in Leipzig.

For all offerings, classic gymnastics apparatus can be selected during the registration process from a predefined capacity. Below you will find all information about the different gymnastics apparatus which can be selected from the given list when registering. Only pre-selected apparatus are available for the performances. Small equipment and other materials must be brought by the participants themselves. Fixed equipment is not available!

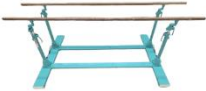

If you have any questions about the gymnastics equipment, please contact: [vorfuehrungen@turnfest.de](mailto:vorfuehrungen@turnfest.de)

## **Attention:**

The document is only a pictorial explanation. On site, the equipment may be different from the pictures.
